

Gatwick Flagship Chapter

Hi I'm Andrew Hookway from Extech

We are a leading IT product, solutions and outsourcing specialist, providing all the services of a dedicated IT department to small and medium-sized business.

Our services include:

- Nationwide 24/7 IT call centre and on-site support
- Telephone system support, including mobile contract renewals and device replacements
- Multifunction printer and copier solutions - from small office to large corporate fulfilment solutions
- Sage products and support including Sage Account and ACT - we also have an affiliate that specialises in helping companies improve their sales capabilities
- Document scanning and workflow solutions

We've had a lot of success helping companies streamline their businesses and as a result reduce their outgoings significantly, and therefore doing a lot more for a lot less ££££ !!!

We are particularly interested in meeting with Insurance Brokers, Solicitors, Accountants and Estate Agents in the South East.
