

Gatwick Flagship Chapter

Rory Shackleton, Trafalgar Square Financial Planning Consultants.

Helping you safely through the mortgage minefield and avoiding the consequences of putting a foot wrong.

Do you have a mortgage?

Are you sitting on a nice low standard variable rate?

Do you think bank base rate will soon rise.

Now is the time to act. Now is the time to seek advice. Check out what is available to you before it is too late.

Trafalgar Square is offering free mortgage reviews to make sure that its clients are best placed to take advantage of the current situation. Get ahead in the knowledge stakes and be aware of what options are available to you. Be proactive and not reactive.

I am looking for introductions into Accountants and Solicitors

I am also looking for introductions to divorcees. Helping them find solutions to getting the ex off the mortgage

Trafalgar Square Financial Planning Consultants - making mortgages work for you.
