PLEASE RETURN!

Good morning everyone!

My name is Marcus Emery from The Finance Clinic.

I am a Commercial Broker. I help businesses realise their opportunities by asset release or restructuring.

My examples for this week are:

- I am helping a private hire company to source 4 Patient Transport Ambulances to meet a short fall at an NHS trust.
- Sourcing short term funding for an investor to purchase two properties on the Isle of Wight.

The referral that I am looking for this week is growing businesses who need additional cashflow to expand.

Enjoy your meeting and have a brilliantly successful week.

That is Marcus Emery from The Finance Clinic
