NAME: RICHARD BECKMANN

COMPANY: RB PROJECTS (SOUTHERN) LIMITED

PLEASE RETURN!

Good morning

I'm here today representing Richard Beckmann of RB Projects Ltd.

As a Regional winner in the national Master Builder of the Year competition we know we can deliver a service to be proud of.

Whether its a new kitchen or bathroom, we can help maximise the space by removing walls or create an extension to allow your dreams to come true. For those with growing families we can convert the garage to get the kids out from under your feet and restore calm.

For the older properties requiring a little more TLC we can resolve the rising damp and saggy floors or leaky roofs and help bring the property back to health.

For people buying a house who are concerned by the surveyors report we offer a service to help them make sense of the report before committing to the purchase.

So whatever the home needs remember Richard Beckmann,
RB Projects Ltd

Building the change you want to see.

Changing the way the world does business
